

## JERSEY MARINE CONSERVATION ISLAND CHALLENGE

# 70470

### INFORMATION

|  |  |
|--|--|
| Name:  |  |
| Email:   |  |
| Address (required for us to send your certificate of completion):      |  |
| Individual or Group Name (include corporation or school if applicable) |  |
| If Group - No. Participants (Max 5)                                    |  |

### Terms And Conditions

Please read these terms and conditions carefully:

1. The competition is record 70 marine species and collect 70 pieces of rubbish until midnight Thursday 29 September 2022. The winners of the prize draws and outstanding contribution awards will be announced on Thursday 2nd February 2023.
2. For a chance to win, you must have 70 records for both marine species and rubbish items.
3. There will be three prize draws, one for individuals, one for citizen groups and one for corporate groups.
4. Your information will not be shared with any other third parties outside of Jersey Marine Conservation.
5. You are under no obligation to accept the prize should you only be interested in conducting surveys and not being entered into the draw. In the event of this happening, the draw will be conducted again.
6. These Terms and Conditions govern the Competition. All other information provided prior to entering the Competition including, without limitation, the route to entry for the Competition and the rules of the Competition, form part of these Terms and Conditions.
7. The Competition will run from 02nd June 2022, to midnight 29 September 2022. Therefore the closing date for entries is 23:59 GMT 29 September 2022.
8. An entrant must enter their details fully on the app. If under 18, permission must be obtained from a parent or guardian before entering the competition.
9. The young person or, if under 18, the young person's parent or guardian, accepts all these terms and conditions by entering the competition. By entering the competition, entrants confirm that they have read and agree to be bound by these terms and conditions, and by the decisions of Jersey Marine Conservation, which are final in all matters relating to the competition. Any breach of these terms and conditions will result in the forfeiture of the prize. No correspondence will be entered into.
10. Group sizes are limited to five participants, organisations may enter as many groups as they like.
11. School groups are welcome to enter as a whole class or break the class down into smaller teams.

**JERSEY MARINE CONSERVATION ISLAND CHALLENGE**

**SPECIES RECORDING FORM**

**Identify and record 70 Marine species, including birds - Take photos and record what you find**

This can be one species from several different locations or different species in the same location!

Photographs are important to help us verify the different species recorded, especially if your not sure of the species name.

**While the activities are being carried out please consider the conditions, safety and well-being of yourselves and your group.**

| Item | Date | Location (eg. Portelet Bay) - Use GPS if known | Species Type (eg. Crustacean) | Common Name (If Known) | Scientific Name (If Known) | Photo No. |

**JERSEY MARINE CONSERVATION ISLAND CHALLENGE**

**LITTER RECORDING FORM**

**Collect and record 70 pieces of litter -Take photos and record what you find**

The rubbish can be from anywhere on the Island that could end up in the ocean. It can be many of the same type of rubbish item and can be found in as many different locations as you like! Please note you do not need to find 70 different types of litter, many of the same type will count towards you 70 goal! Litter does also not need to be individually photographed and can be captured in one or more shots.

**While the activities are being carried out please consider the conditions, safety and well-being of yourselves and your group**

| Item | Date | Location (eg. St Helier North or Havre Des Pas Beach) | Where? (Eg. Hedgerow, Road, Strandline) | Litter Type (eg. Plastic Bottle) | No. Pieces |
